ACTIVITIES

BCC PROUDLY COMPLETED 59 YEARS OF SERVICE THIS YEAR!

59 Years of Service, Smiles & Solidarity

Baroda Citizens Council proudly celebrated its 59th Anniversary! Our 59th Annual Day was a truly joyful reminder of the strong bonds we've built over the decades. From cheerful games to shared laughter, the evening radiated warmth and unity.

>>> ACTIVITIES <<<

WORLD ENVIRONMENT DAY

On June 5th, every corner of BCC bloomed with purpose and hope! Across Urban & Rural spaces, our beneficiaries came together to sow the seeds of sustainability—proving that even the smallest hands can shape a greener world.

WORLD SICKLE CELL AWARENESS DAY

>>> READ MORE

On June 19, 2025, marked BCC's vital campaign for World Sickle Cell Awareness Day under our program “UDAAN- Anaemia se Azadi”. We educated women and adolescent girls on Anaemia and Sickle Cell Disease through engaging sessions that included interactive visuals, a menstruation awareness video, and practical learning like a nutritious food poster activity. Take-home leaflets ensured the knowledge reached even further.

>>> ACTIVITIES <<< INTERNATIONAL YOGA DAY CELEBRATION

On June 21, 2025, BCC celebrated International Yoga Day ("Yoga for One Earth, One Health") and World Music Day. We combined peaceful yoga with energetic Zumba across our centers, reaffirming our commitment to physical, mental, and emotional wellness. This vibrant blend of yoga and music highlights our dedication to building healthy communities and a healthier planet.

EMPOWERING WOMEN THROUGH SKILL DEVELOPMENT

>>> NIELSENIQ JOINS HANDS WITH BCC

NielsenIQ (NIQ) showed support for our programs by generously donating 3 Interlock Machines to our Skill Development & Livelihood Program center under "EVP". This will play a vital role in enhancing the quality of training provided and expanding income-generating opportunities for our women beneficiaries, enabling the production of more products and allowing more individuals to receive training.

>>> ACTIVITIES <<< WORLD DAY AGAINST CHILD LABOUR

On 12th June Under **JAHAJ - A Village development program**, we came together with 105 children of the Primary School in Jahaj Village to observe the World Day Against Child Labour. Through stories, games, discussions and organizing a rally, we raised awareness about every child's right to education, safety, and a happy childhood. Together, we can create a future where childhood is cherished and protected.

SCHOOL(PRAVESH UTSAV 2025) ENROLLMENT CELEBRATIONS IN BCC CENTERS

>>> On June 24th and 28th, 2025, the Baroda Citizens Council (BCC) held School Enrollment Celebrations in BCC centers. In Jahaj, 30 children received school bag kits through the **Jahaj- A Village Development Program**, supported by Nisol Manufacturing Ltd. Simultaneously, in Samayala, 20 children were provided with education kits at Samayala Railway Station Primary School, as part of the **Voltamp Village Development Program**, supported by Voltamp Transformers Ltd. and implemented by BCC. Similarly Balwadi students of Education department were also welcomed on the first day of their school. These events were well-attended by officials and community members.
